**RUNNING
 INJURIES AND
 PERFORMANCE
 SYMPOSIUM**

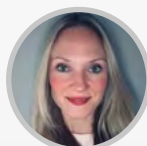

SSC is delighted to open registration to our 2019 Annual Sports Medicine Conference in partnership with Salomon.

We are delighted to announce a fantastic line up of world experts in the area of running injuries, biomechanics, footwear design and performance. This conference will assist doctors, physios, S&C coaches and all those interested in running performance and injury rehabilitation and prevention to understand how to improve performance across field sport and track athletes from recreational through to elite performers.
