- For examples of previously accepted learning outcome(s), and by way of guidance, please see the up to date curriculum ([https://www.icgp.ie/go/become a gp/core curriculum](https://www.icgp.ie/go/become_a_gp/core_curriculum)),.

- If you wish to suggest altering an existing learning outcome (preferred option), or request removal of a learning outcome please also use this form.
- The ICGP Curriculum for GP Training in Ireland, currently contains approximately 1750 learning outcomes, therefore we would aim to keep the number of learning outcomes from increasing with deletions and alterations were possible, as opposed to additions.
