**Re: General Practitioner Units**

Dear CEO,

I am directed by the Minister for Health to refer to Department's letter dated 2nd February and to conditions applying to the daily rate of £135 approved for general practitioners. In arriving at this rate, it was recognised, and accepted, that a third of the doctor's total commitment to the health board would be spent on necessary research, study and other preparatory work at a location to be determined by the doctor.

Yours sincerely,
