

RSH Certificate in Contraception

Form D: Additional Information for Experienced GPs / Family Planning Doctors in Gynaecological Examination

This form is only for experienced GPs/family planning doctors who completed their O&G training many years ago and find they do not fulfill criteria on the RSH application form for gynaecological training.

Please forward this form to womenshealth@icgp.ie together with your Certificate in Contraception application form for consideration by the RSH Committee.

If you require further assistance, please contact womenshealth@icgp.ie.

Name: _____
